

## The Richmond MBA

Rigorous and well-connected, The Richmond MBA is designed to meet the needs of working professionals.

Bolster your experience through professional development offerings and networking opportunities and graduate with the skills necessary to advance in your career or change paths entirely.

## Program Highlights

- 24-month program
- Created for working professionals
- Part-time, on campus, evening classes
- 20-30 students per cohort
- Access to Career Services, mentorship program, and career-focused events

## Where You'll Find Us

Richmond MBA Spiders are everywhere, and that's a good thing.

## Three Pillar Model

**Opening Residency** - A two-weekend orientation where students work alongside peers in a case competition for a local company.

**International Residency** - A semester-long class that kicks off with an international trip that includes work on consultancy projects with an international organization.

**Capstone Project** - The final piece of the program during which students address a strategic challenge facing a firm, presenting customized solutions and recommendations to clients.

## Program Curriculum

Esteemed faculty lead discussion-based courses and dynamic exchange in class enables students to work collaboratively alongside peers in a high-energy, engaged learning environment.

Here, professionals hone their strategic thinking capabilities and develop advanced business skills to learn it tonight and apply it tomorrow.

Curriculum competency areas include:

- **Financial Competency:**  
Accounting, Finance
- **Markets & Strategic Competency:**  
Economics, Marketing, Strategy
- **Analytic Competency:** Statistics, Analytics & Information, Operations
- **Human Competency:** Ethics, Organizational Behavior, Business Communication
